

A schematic diagram of a multi-layered structure, designated by the reference numeral 10. The structure consists of seven horizontal layers, labeled 12, 14, 16, 18, 20, 22, and 24, arranged vertically. A coordinate system is shown at the top right, with a vertical arrow pointing upwards and a horizontal arrow pointing to the right, labeled 'x'.

١٧

A schematic diagram of a multi-layered structure, designated by the reference numeral 10. The structure consists of several horizontal layers. From top to bottom, the layers are labeled 24, 22, 20, 18, 14, and 12. Layer 18 is further divided into sub-regions 18a, 18b, 18c, and 18d. Layer 14 is divided into sub-regions 14a and 14b. A small rectangular feature 16 is located on layer 14. A bracket on the left side of the diagram groups the layers 24, 22, 20, 18, 14, and 12 under the reference numeral 10. A double-headed arrow at the bottom indicates the width of the structure, labeled "Width W".
